Samuel M. Shortridge

CALIFORNIA PROUD OF HER ABLE REPRESENTATIVES IN WASHINGTON

The people of San Mateo county are overwhelmed with joy over the splendid victory of Samuel M. Shortridge who has won the senatorship by a majority of 75,000 votes. He made a clean, clever and aggressive contest andwo n solely on his merit. Mr. Shortridge will reflect credit on the great state of California in Washington by his forensic eloquence and peerless statesmanship.

Mr. Shortridge defeated one of the most popular men in the state and notwithstanding the great odds against him Mr. Shortridge waged a vigorous battle and captured the toga. We all hail the visitor and hope he will have the co-operation of every one in his services to the state and nation. He has won a great victory and California has secured an able representative at Washington.

CITY TRUSTEES MET MONDAY

At the meeting of the city board of trustees Monday evening the board adopted a resolution directing the First National Bank to return to S. H. Frank and company the escrow deed relative to the ecquisition by the Town of Redwood City of the Peninsula wharf and warehouse property from the tannery concern and the construction of a spur track by the town from Chestnut street to the wharf property at the foot of Main street, was adopted unanimously by the city trustees Monday night.

The action of the trustees is the result of a disagreement between the board and S. H. Frank and company over a clause in the agreement, which makes it forever binding on the part of the city of Redwood City to maintain the property that would be acquired under the agreement os a municipal wharf and warehouse.

In making the motion to adopt the resolution Monday night, Trustee Tuchsen stated that he had not changed his mind one bit in regard to his opposition to the binding clause in the agreement.

"It is not a matter of stubbornness with me,' 'said Trustee Tuchsen. "If any person can show me where I am wrong, I will change my views very quickly. I have no axe to grind, no one to favor. I cannot understand why S. H. Frank and company should not turn over this property without any strings attached to it. In view of the fact that the tannery people have asked us to act quickly in the matter and as we cannot agree on the clause feature, there is nothing left for this board to do but to return the escrow agreement and deed. I therefore move the adoption of the resolution."

Trustee Kreiss seconded the motion, and on roll call all five members of the board voted "aye."

Captain Jens Hansen appeared before the board Monday night and offered to remove, for the use of, the old stringers and piles tath remained from the wharf at the end of Steinberger street. Street Superintendent Dearborn explained that he had sold to wharf to Dreyfus Bros., contractors for the Steinberger outfall sewer, with the understanding that the firm would remove everything. City Attorney Mansfield was instructed to notify Dreyfus Bros., to have the obstructions removed within two weeks and that they would be held liable for any damage that might occur through their failure to do so.

Wm. P. Hogan tendered his resignation as city plumbing inspector, to take effect at the pleasure of the board, Hogan explaining in his letter of resignation that he had lately opened a plumbing establishment of his own in Redwood and would therefore not be able to hold the job. The board received and filed the resignation and Hogan was asked to temporarily fill the postion until a new inspector is appointed.

The Foresters Hall Association was granted 3 o'clock dance permits for Saturday evenings, November 13 and 27. Court Madrone, F. of A., was given a similar permit for Thanksgiving eve, November 24.

D. M. Flynn wa sgranted a permit to hold a dance until 3 o'clock in his new garage on Main street on Saturday evening, November 6.

Ordinance No. 213, ordering the closing and vacating of a portion of Laurel street, near the plant of the Shell Oil company was given its final reading and adopted.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Dr. J. P. H. Dykes is very happy over the election of his old friend, A. A. Taylor, who was chosen governor of Tennessee on the Republican ticket. Many years ago both were on the same ticket, the doctor running for the assembly and Taylor for governor. The latter was defeated but the doctor was elected and served with credit to himself and the great state of Tennessee.

Henry Lown is installing an up-to-date office in his fruit and produce store. He is to employ a bookkeeper and is to establish a complete system of bookkeepink. Mr. Lown yesterday received a consignment of alligator pears direct from the Hawaiian Islands which he is selling at seventy-fiv cents a piece.

Mr. and Mrs. C. A. Rebitt, of Redwood Highlands, gave a delightful Hallowe'en party last Saturday evening to a number of children. The dining room and tables were decorated in beautiful Hallowe'en colors. Delicious refreshments were served to the littlte ons. Among those present were: Philip Ross Chapin, Ruth Chapin, Annabelle, May and John Ritter, Laila Sweet, Helen and Kathleen Connor and Ethel and Constance Rebitt.

The cafeteria at the Hotel Sequoia closed during the week, but will reopen shortly under a new management. An up-to-date cafeteria will open in the Kuck block next week under the management of an expert chef.

Many bets were made on the Shortridge-Phelan senatorial contest. Large sums were waged. Among the lucky ones who drew down various sums were: Robert J. Letts, Guy P. Hull, J. F. Johnson, Ole Johnson and J. W. Weinberg. The latter won $500.

Miss Edna Young, until recently the stenographer for J. J. Bullock, has been appointed a deputy clerk in the office of County Recorder T. C. Rice. She takes the place of Miss Loeny Cartwright who was recently married to C. E. Wolf of San Mateo. Miss Young resides in San Mateo. She is an expert stenographer and accountant.

County Clerk Elizabeth M. Nash deserves credit for the efficient way she made all preparations for the election on Tuesday. All the supplies were at their proper places on time and there was not a single hitch. There was not one discrepancy in the register. Every voter was properly registered in his or her respective precinct. The task of getting out the machinery for an election is a difficult one. Mrs. Nash has certainly proved her capability for such a task.

The many friends of Judge John L. Hudner in this county are pleased to learn that he has been re-elected to the superior bench of San Benito county. He presides in the superior court of this county frequently and is well-known to the people of this city. His election was won at the primary when he defeated his opponent by over 500 votes. The judge is an able and just man and a credit to the bench.

John Rutherdale, the local contractor, is erecting several houses and small buildings for J. Wilder, an expert chicken raiser of Maine, on his property at Emerald Lake. Mr. Wilder is going to establish a modern chicken farm.

The bazaar for the benefit of Mount Carmel church closed Saturday evening. It was one of the most successful fairs ever held here. All the returns have not yet been made but it is believed that the proceeds will reach the $2000 mark.

Rev. C. A. Parker, pastor of the local Baptist church will leave today to attend the annual convention of the Baptist church which convenes at Visalia on Monday and continue in session for a week.

It was rumored yesterday that C. H. Woodhams, the Broadway furniture dealer, had sold a half interest in his business to Mr. Ashworth, a wealthy merchant of Minneapolis who moved to Redwood City recently.

GOVERNMENT OFFICIAL TO INVESTIGATE REDWOOD CREEK

Colonel Herbert D. Eakyne, U. S. Engineer Corps, will be here on Wednesday, November 10 and will meet the public at the city hall at 2 o'clock to discuss the contemplated improvements of Redwood harbor and creek. Everyone interested in the welfare of the city should be present on that occasion. Every information possible should be given the Colonel. The improvements contemplated by the government are needed and will be a big asset to Redwood City.

Let the city hall be packed next Wednesday thus demonstrating to the visitor that the people are alive to their interests and that a progressive spirit prevails in this community. Mr. Knox, president of the chamber of commerce urges all the citizens to attend this meeting and come prepared to air their views. The Colonel will be here all that afternoon and will inspect the harbor and waterway.

SHORTRIDGE LEADS PHELA IN SAN MATEO COUNTY BY 1100

San Mateo county has joined the caravan in the big Republican land slide that swept the country last Tuesday. Harding has carried the county by an unprecented majority of 5085. Shortridge has carried it by 1100 votes and Free has beaten Hersman by 3132.

The alien land law received an almost unanimous vote. The Harris bill was beaten by a two to one vote. The proposed law to raise the salaries of supreme judges was badly beaten.

About eighty per cent of the voters came to the polls. The big banner precinct in the county for Samuel M. Shortridge was Hillsborough which gave him 171 to 58 for Phelan. Considering the big fight made by Phelan in the county Shortridge did very well. His friends waged a strong battle for him.

The official canvass will be made by the supervisors on Monday.

SAMUEL M. SHORTRIDGE NEXT U. S. SENATOR

Samuel M. Shortridge, California's peerless orator, has won the senatorship by a big majority. He made a gallant fight, defeating his opponent by a majority of over 65,000 votes.

He made the campaign without funds while Mr. Phelan had millions at his command. The people believe in Mr. Shortridge and voted for him, knowing that he will honor California in the senate of the United States. Mr. Shortridge will soon become a national figure. His great oratory and statesmanship will command recognition at the national capitol.

Mr. Shortridge's splendid vote everywhere in the state demonstrates his popularity and his election by the Republican party is only a just reward for a faithful servant of the party.

For over thirty years Mr. Shortridge has been a faithful and loyal member, preaching the gospel of Republicanism up and down the state at his own expense. No man in California did more for the party than he. Therefore all Republicans rejoice in his election. It was his life ambition to represent the great state of California in the upper house of Congress. That ambition has been satisfied. He will now contribute his services at Washington to the people who elected him and will work for the best interests of the Golden State. With Senator Hiram W. Johnson and Samuel M. Shortridge in the United States Senate California's interests will be well taken care of.

ARTHUR M. FREE EASILY DEFEATED HUGH HERSMAN

Arthur M. Free has been elected to congress from the Eighth District by the largest vote ever received by any candidate that has aspired for the position in the district. His vote was overwhelming everywhere. He carried every county. He defeated his

ARTHUR M. FREE

opponent, Hugh Hersman, by over 20,000 votes. Mr. Free is a young man of ability and will make a good record in congress. He defeated the democratic nominee in San Mateo county by a two to one vote. Mr. Free will be in accord with the new administration and therefore will be in a position to do much for his district.

JUST A LITTLE CREDIT

The Times-Gazette takes some little credit for the big victory of Tuesday. It was the only Republican paper in the county that waged a continuous battle for the entire ticket, making a special plea for Samuel M. Shortridge for the United States Senate. The county was overwhelmingly Republican.

REPUBLICAN VICTORY TUESDAY TUESDAY WAS EXPECTED BY ALL PARTIES

The big Republican landslide of Tuesday was expected. It means simply a repudiation of Wilsonism in the country. The League of Nations was the issue in the campaign. Wilson's League has been entirely repudiated by the people of the United States. Their big vote against the League showed this. It will take the democratic party many years to recover from the shock it received on Tuesday last.

COAST ROAD BEAUTIES MARRED BY 15 MILE STRETCH IN SAN MATEO COUNTY

(By H. H. Main, secretary of the Santa Cruz Chamber of Commerce.)

The automobile, over good roads has entirely eliminated the question of distance, so that good roads are the most important things the various board of supervisors can devote their attention to. People will often go out of their way from 25 to 30 miles, just on account of a short stretch of bad road. The communion of interests of all sections demands that all main highways linking counties together should be kept in the best possible shape. When a county is building new roads, the traveling public expects to encounter detours which, of course, are always as short as it is possible to have them.

Santa Cruz county is next to the smallest county in the state, yet it has 500 miles of roads and the citizens of the county, with those of Santa Clara county "went to the bat" and paid a heavy bonus on highway bonds and the people of Santa Cruz took a chance of losing one year's business in order that the Glenwood-Los Gatos highway work could be continued; also, the highway between Santa Cruz and Watsonville is rapidly nearing completion. The satisfactory routing of traffic has been a problem which the entire membership of 675 men and women of the anta Cruz chamber of commerce have given the most careful consideration, always influenced by true road conditions. With hundeds of automobile parties going north, or from San Francisco south, it has become popular with a great many to make the loop by the coast and valley routes, and with the Watsonville and Glenwood highways completed, Santa Cruz will have through connections over paved highways.

San Mateo county, long noted for having some of the finest highways in the state passing through some of the most beautiful sections of country side with streams and lakes, has also, most unfortunately, one of the worst stretches of road, barring none in the whole state, and practically nothing has been done to improve the whole fifteen miles from Pescadero to the Santa Cruz county line. This stretch of road is a disgrace to the otherwise beautiful highway system of San Mateo county. It is such that anyone passing over it once votes "never again." The approaches to all eight of the bridges in this distance are also a disgrace. One has to come almost to a stop in order not to take chances of breaking a spring. The road from Santa Cruz to the county line is always kept in fine condition, even the costly stretch over the Waddell beach, so that outgoing traffic is always assured a good road that far; likewise coming north from Redwood City over one of the grandest trips in the state, via La Honda, or from San Mateo via Halfmoon Bay, the highways are perfect and the scenery unsurpassed, but the "rotten" condition of the road between Pescadero and the county line spoils the beatuy and pleasure of the whole trip for the thousands who would travel through this vast agricultural empire and wooded country-side.

We, on the south feel this misfortune keenly, because we are spending a great deal of money in advertising to induce travel this way, in the anticipation, of course, that we will reap our share of tourists and home-seekers who always follow those who go before as a natural consequence. We cannot have the heart to send people over the coast route, a sit always rebounds to our discredit, attested by th hundreds of complaints that have come to us within the past year.

The San Mateo county supervisors shoul all take a ride over this stretch of road and would be convinced that the quicker something was done, the better; for until some action is taken to improve it, traffic via this route is practically dead, and the effect will prove a very bad advertisement for the rest of the county. It is unfortunate enough that the Ocean Shore has discontinued operations. This should ast as an incentive to keep the roads in the best possible condition.

We cannot conscientiously tell travelers anything but the truth. The writer is familiar with every foot of this stretch and knows that very little has been done on it for three years. Coupled with its faulty construction in the first place, this leaves a veritable bed of rocks for the entire distance, which spells ruin to tires, to say nothing of the damaging effect it has upon the entire machine, which takes all the pleasure and comfort out of an otherwise enjoyable trip.

COUNTY BOARD IN REGULAR SESSION

The board of supervisors met in regular session Monday, ovember 1st, 1920, at 10 a. m., there being present Chairman John MacBain, presiding; T. L. Hickey, Mrs. Rosalie M. Brown and Dr. C. V. Thompson.

A petition was received from Mrs. Henrietta Brown, owner of the Browndale Kennels near Redwood City, asking for a permit to conduct a kennels on what is known as the Stader property at Beresford, also known as the Beresford Gardens, the petition stating that not more than forty grown dogs and not more than one hundred dogs, including young and full grown, would be kept on the place. Fancy animals, the petition further recited, for show and commercial purposes only would be raised, and none of the dogs would be allowed to run at large.

On another petition signed by Alexander N. Gingnard and eght other residents of the community surrounding the Stader property, was received approving and agreeing to the granting o fthe above permit to Mrs. Brown.

In accordance with the provisions of the ordinance granting dog permits, Chairman MacBain set the next regular meeting of the board, Monday November 15th, 1920, as the time for hearing the above petition.

A. A. Montgomery of San Francisco, representing Mrs. Brown's interests in the purchase of the Stader property, addressed the board in the matter of the petition and stated that Mrs. Brown was having some trouble from the owner in obtaining a deed to the property and that if any protest was received by the supervisors against the granting of the permit to Mrs. Brown, it would probably come from Stader.

A petition signed by David Congrove and thirty-eight other property owners and taxpayers of the Lomita Park Lighting district, was received, asking for the installation of additional electric lights at the intersection of the State Highway and ten different streets. The petition was granted, on motion of Hickey, seconded by Thompson.

On motion of Thompson, seconded by Mrs. Brown, the matter of the petition of the Victory Live Stock company for a permit to conduct a hog ranch in the vicinity of Colma was laid over for two weeks.

A check was received from the Beresford Country Club in payment for the use of a steam roller in the Second township. The money was ordered turned over to the county treasurer to be credited to the Second road district.

A communication from L. T. Day, secretary and treasurer of the California State County and Municipal Purchasing Agents Association, calling attention to the annual meeting of the association at Fresno, November 11, 12 and 13, was received and read, and on motion of Thompson, seconded by Hickey, it was ordered that County Purchasing Agent Ernest Werder be permitted to attend the gathering with all his expenses therewith paid.

Attorney John Davis, representing the Colma Improvement Club, appeared before the board in the matter of the excavation at the foot of Market streeet in the Town of Colma in order to run a tunnel under the right of way of the Southern Pacific company tracks at that point. Attorney Davis explained that in order to get the matter propertly before the Railroad Commission it would be necessary to have the supervisors present a petition in the name of San Mateo county, Colma being an unincorporated city. Attorney Davis further explained that the cost of paving for the excavation work would be an after consideration.

On motion of Hickey, seconded by Thompson, the matter was continued for two weeks.

A communication was received from W. H. Less, Commander, U. S. Navy and connected with Navy recruiting work in San Jose, asking the co-operation of the board in the campaign to secure recruits for the U. S. S. Superdreadnaught California, now nearing completion at the Mare Island Navy Yard. The letter explained that the plan was to have the crew on the vessel composed entirely of Californians, San Mateo county's quota being fixed at fourteen The supervisors were asked to appoint a committee to assist in the work.

On motion of Hickey, seconded by Thompson, it was ordered that the chairman be empowered to appoint such a committee that would act with the Navy department in securing the required number of recruits from the county. Chairman MacBain thereupon named Supervisors Hickey, Brown, Thompson and himself as members of the committee, and it was arranged to hold a meeting at the home of Chairman MacBain in Menlo Park.

Copy of a resolution received from the clerk of the board of supervisors of Alameda county and adopted by that body, heartily endorsing Amendment No. 9,, calling for the raising of the interest on the State Highway bonds, was received and ordered filed the San Mateo county board having taken similar action some time ago.

A letter was received from Mrs. Joseph M. Francis of Halfmoon Bay expressing her thanks and appreciation for the sympathy extended and the floral offerings during her late bereavement, the loss of her husband, Supervisor Joseph M. Francis.

A communication was received from T. Ahern, superintendent coast division of the Southern Pacific Railroad Company, relative to the oil tank at Menlo Park, which was recently destroyed by fire, and asking the board to take steps to remove the equipment in connection with the same and have the ground restored to as near its original condition as possible.

Chairman MacBain directed Mrs. Nash, clerk of the board, to answer the communication and inform Ahern that the lease for the property where the tank had been transferred to A. H. Kopperud, road contractor, and that theo utfit had been built before he (MacBain) had become a member of the board.

A communication was received from the California Garage at San Mateo submitting a figure of $1070 for furnishing a new Overland Four touring car for the use of the county hospital and making an allowance of $250 on the old machine. The communication was ordered filed.

Application for State aid for four one-half orphans in the county was received and the same was approved, on motion of Hickey, seconded by Thompson.

County Purchasing Agent Ernest Werder presented a number of claims for supplies furnished the county hospital and also the Social Service Commission, which claims he explained he would like to have paid at this time in order to take advantage of the discount allowed on the same. The claims having been approved by the finance committee, were ordered allowed, on motion of Hickey, seconded by Mrs. Brown.

At the request of Mrs. Brown, and on motion of Hickey, seconded by Thompson, the supervisor of the Second township was granted permission to construct six new culverts on the Canyada Road, the purchasing agent being instructed to secure the necessary material for the work.

On motion of Hickey, seconded by Mrs. Brown, County Engineer Kneese was instructed to make a report to the board relative to the installation of a culvert in the town of Belmont.

EAGLES REORGANIZING THE ASSOCIATED AERIES OF SAN MATEO COUNTY

Much interest is becoming manifest in the ranks of Eagledom throughout the county in the reorganization of the Associated Aeries of San Mateo county through which agency the Fraternal Order of Eagles made great strides and accomplished many things during its activities, and which would have been impossible for the individual aeries working alone.

At the meeting held in the City Hall at South San Francisco last Sunday afternoon Vista Grande Aerie of Daly City and Redwood City were more largely represented than any of the other Aeries in the county. Those comprising the delegation from Redwood City were:

Past presidents, Geo. Christ, Carl K. Mabie, F. H. Schottler and H. C. Wilder; Chaplain Jno. F. Cowgill, Louis Duncan and H. F. Beer. Representatives from Daly City were: E. Nesseur, M. Pava, C. E. Anderson, G. W. Savage, T. Shaw, G. Savage, J. Harrie, G. Klinger and A. Bodien, who is temporary chairman of the association.

South San Francisco was represented by President Geo. H. Kneese and Secretary D. J. Hyland of the local Aerie.

Owing to misunderstanding of the date San Mateo and Halfmoon Bay were not represented. Owing to past president J. J. Reynolds of the Redwood Aerie being unable to attend regularly upon these county conventions Jno. E. Cowgill of San Carlos Aerie was chosen to succeed Reynolds as temporary secretary of the association. Past President F. J. Orr, and who is a charter member of Smonomish, Washington, Aerie and an enthusiastic Eagle with both wings flopping al the time gave a splendid talk on the history of the organization and what it had accomplished in the state of its birth.

The San Mateo County Aerie have always worked harmoniously together and practically as a unit at the state conventions in their support of or opposition to any propositions of consequence to its membership and in the election of state officers, and it was through the influence of this team and co-operative work lead by J. J. Reynolds of Redwood City that San Mateo county was honored with one of the state officers, in the election of A. Bodien of Vista Grande Aerie to the position of outer guard. And while it is one of the minor offices, this success gives promise of still greater honors coming to this county if the team work continues as it has in the past. The next meeting of the association is scheduled for Tuesday evening, November 23, as San Mateo, the regular meeting night of that Aerie. And it is very probable that the next meeting following the San Mateo meeting will be held at Halfmoon Bay some time during the month of December when the permanent organization will be effected and permanent officers will be elected.

Right Now is the time to buy THESE used Automobiles

Prices have dropped on new cars, making a proportionate drop in the second hand cars. We have taken several cars on trade for New Fords, and will sell them very cheap to get our money out of them.

Do not think that because a Motor Car Dealer is selling these used cars that you can't get a bargain. We ARE NOT IN THE SECOND HAND CAR BUSINESS and merely sell these old cars to get our money back that we allowed on the New Ford.

If you are interested in some REAL BONA FIDE BARGAINS in used Automobiles, that have been entirely overhauled, and put in perfect mechanical condition, right here in our own shops, come in and see what we have to offer.

USED CAR DEALERS

You can find some good business proporitions among these cars. We want to sell them quick, and the price on them will allow you to resell them at a good profit. We want the money to buy new Fords, for we can make more that way.

THESE USED AUTOS ARE BARGAINS!

Buick	Late 1917 Buick Touring car, two spare tires, bumper, side wings, good tire. Cash or terms, for.....	$1050.00
Chalmers	1917 Chalmers, 7-passenger, wire wheels, newly painted and in fine shape—very cheap.....	1050.00
Studebaker	$225 buys a Studebaker with two bodies, a touring and a roadster body, with fine camping outfit attached. This i sa good buy for someone.....	225.00
Overland	Overland Touring, 1914, starter, excellent tires, only.....	225.00
Ford	Ford, 1919, Touring, just overhauled throughout, guaranteed in perfect mechanical condition. Tires practically new	400.00
Ford	Ford, 1919, runs like new, mechanical condition warranted. Tires in perfect condition, self-starter, etc. It is yours for $450, isn't that a bargain?.....	450.00

And Once More Let Us Say:

Do not think because the Ford Agency is selling these cars that they are not bargains—we are not planning to make anything on the deal—our profits come from new cars. But why talk about the cars—you can come and see them without incurring any obligation. We will be pleased to demonstrate at any time convenient to you.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Let's go to the polls next Tuesday and vote for our fellow townsman, Samuel M. Shortridge, candidate for the United States senate. He is our neighbor. Let's be neighborly and give him a unanimous vote. Mr. Shortridge will be proud of the vote he receives from his "own home town." Mr. Shortridge's services have always been at the command of the people of Menlo Park. They should show their appreciation by giving him an overwhelming vote next Tuesday. Make the vote unanimous.

Father Michael Walsh, pastor of St. Rose parish in San Francisco, has been appointed pastor of the Church of the Nativity to succeed Father W. P. Sullivan. Father Walsh was up until a short time ago the pastor of the Catholic church at Colma. He will not be here until next Sunday. Father Walsh is a zealous young priest and will make many friends here. He was at one time the assistant priest at San Rafael.

On Monday evening, November 22, the Menlo Native Daughters will give their annual Thanksgiving card party with turkeys for prizes. There will be door prizes and refreshments free. Don't forget the date, November 22, in Native Sons' Hall, Menlo.

Joseph A. Donohoe and family will close their home here next week and open their city house for the winter months.

This evening the parish hall of Trinity Episcopal church will be the scene of a merry Hallowe'en party given by the members of the church to the children of the parish.

Mr. and Mrs. Unger of Palo Alto have taken the Maloney cottage on Oak Grove avenue. The house was recently vacated by James B. Clothier.

The masquerade ball given by the Native Daughters last Saturday night in Native Sons' Hall was a social success. Long before 9 o'clock the hall was crowded with maskers. The prizes were awarded as follows: For most original costume, Edward Kavanaugh, who made up as a cowboy best sustained character, John Greer and Albert Kavanaugh; best dressed lady, Miss Clare Shields. The door prize was won by Miss Carroll of San Francisco. The judges were Mrs. J. J. Murry, Lucas Greer, Geo. Walsh, Mrs. Loone and Mrs. Henry Midgeley.

Mr. and Mrs. Cahalan have taken the Parker cottage, having given up the Oak Grove Villa Hotel, which is to be conducted by Joseph Nash. The Parker home was rented for the past year by Mr. Berta, who has moved his family to Mountain View.

The Curlett cottage on Santa Cruz avenue has been rented to two military instructors at Stanford.

Mrs. William Hammerson has sold a portion of her property on Santa Cruz avenue to Mr. and Mrs. W. E. Orton of Portola. The property is to be improved and Mr. and Mrs. Orton are to move here. Their son, John E. Orton, is one of the proprietors of the Menlo Garage and one of the most popular young men in town.

Miss Rita Schenkel has been appointed superintendent of the cloak department of Hale Brothers in San Francisco. She will join the big army of commuters from this place. Miss Schenkel is a clever saleslady.

Mrs. Philip Wales, wife of Major Wales of Menlo Park, is expected home soon from New York. She has been in the east for several weeks.

Mrs. Fred Paris has returned from a two weeks' vacation spent with friends at Pittsburg, Cal.

Charles Holbrook and family will leave today for San Francisco to occupy their city home at 1802 Washington street.

John Viano, who resides on Santa Cruz avenue, was badly injured in an automobile accident last Wednesday night. He was riding his bicycle on the highway near O'Keefe's store building when an automobile happened along and ran over him. Viano was carried for several hundred feet before the auto was stopped. He was taken from under the machine more dead than alive. He was removed to the Peninsula Hospital, where his wounds were treated. He will recover.

In notes sent to the friends of the young couple formal announcement was made yesterday of the engagement of Miss Mary Elena Macondray, daughter of the late Atherton Macondray and Mrs. Macondray, to Herman Phleger of San Francisco. The marriage will take place in the spring and will be a quiet affair at the home of the bride's mother in Atherton. Miss Macondray is the sister of Miss Ynez Macondray and Ensign Atherton Macondray, Jr., U. S. N. She was a debutante of last winter, having been presented at a large tea given by her aunt, Mrs. Edward L. Eyre. She is a niece of Mrs. Macondray Moore, Mrs. Perry Eyre, Mrs. Royal Macdonald, Mrs. Gertrude Atherton, Mrs. Vergie Beckett, Mrs. Selby Hayne and the Misses Dorothy and Sarah Collier. Among her cousins are Mrs. Marshall Madison, Mrs. Alvah Kaine, Mrs. Atherton Russell and Atherton and Edward L. Eyre, Jr. Phleger is the son of Mrs. Charles Phleger of Sacramento and a brother of Charles Phlegar, Jr. He is a graduate of the University of California and of Harvard and is a member of the Pacific Union Club.

Miss Anna Compton, a prominent young lady of San Francisco, is the guest for a few days of Mrs. John MacBain.

Mrs. Albright of San Francisco is visiting her old friend, Mrs. F. W. Johnson. Mrs. Albright's father at one time conducted the flour mills at Redwood City. His name was Simpson and he was known to all the old settlers of this section.

Mr. and Mrs. John MacBain gave a dinner last evening in honor of Mr. and Mrs. James Henderson, nee Pauline Brown, at their home on Mills avenue. Among the guests were Lieut. Col. Archer, P. P. Chamberlain, Miss Pearl McCormick, Miss Anna Compton, Mr. and Mrs. John MacBain.

The Companions of the Forest may be congratulated upon the success of their first social affair in Native Sons' Hall Thursday evening. The dance was a decided success. The hall was splendidly decorated with Hallowe'en colors, giving the whole affair a Hallowe'en effect. Never in the history of the village have such artistic decorations been seen. It was a work of art done by clever artists. Two fairy queens lent charm to the affair, flitting here and there, making everyone pleasant and happy. The catchy music for the dance was by an orchestra brought from San Francisco by the grand officers, many of whom were in attendance. The affair will long be remembered by all present.

A vote for Shortridge is a vote for progressiveness, and advance of California's resources.

Three New Zealand breeding does, one half-bred Toggenburg doe, nine months old. Can be registered as half-breed. Apply Mrs. G. E. Fricker, Sixth ave., off Middlefield road, Redwood, or by mail, Menlo Park, R. F. D. 144.
